

Make a difference in the lives of local brain injury survivors!

You can brighten the life of local children, adults and veterans who have suffered a brain injury from a stroke, brain tumor, traumatic brain injury or concussion.

Minnesota Brain Injury Force (MNBIF) is a local non-profit that provides free programs and services to help survivors and their families. These survivors are your neighbors and they need your help to buy food, fuel, medicine, blankets, memory aides etc. A few survivors need their homes made handicapped accessible.

Jake's Stadium Pizza of Mankato & St. Peter have agreed to provide drop off locations for your much appreciated donations of cash, checks or local gift cards.

For more info visit:

www.mnbif.org or call 507-228-8161
